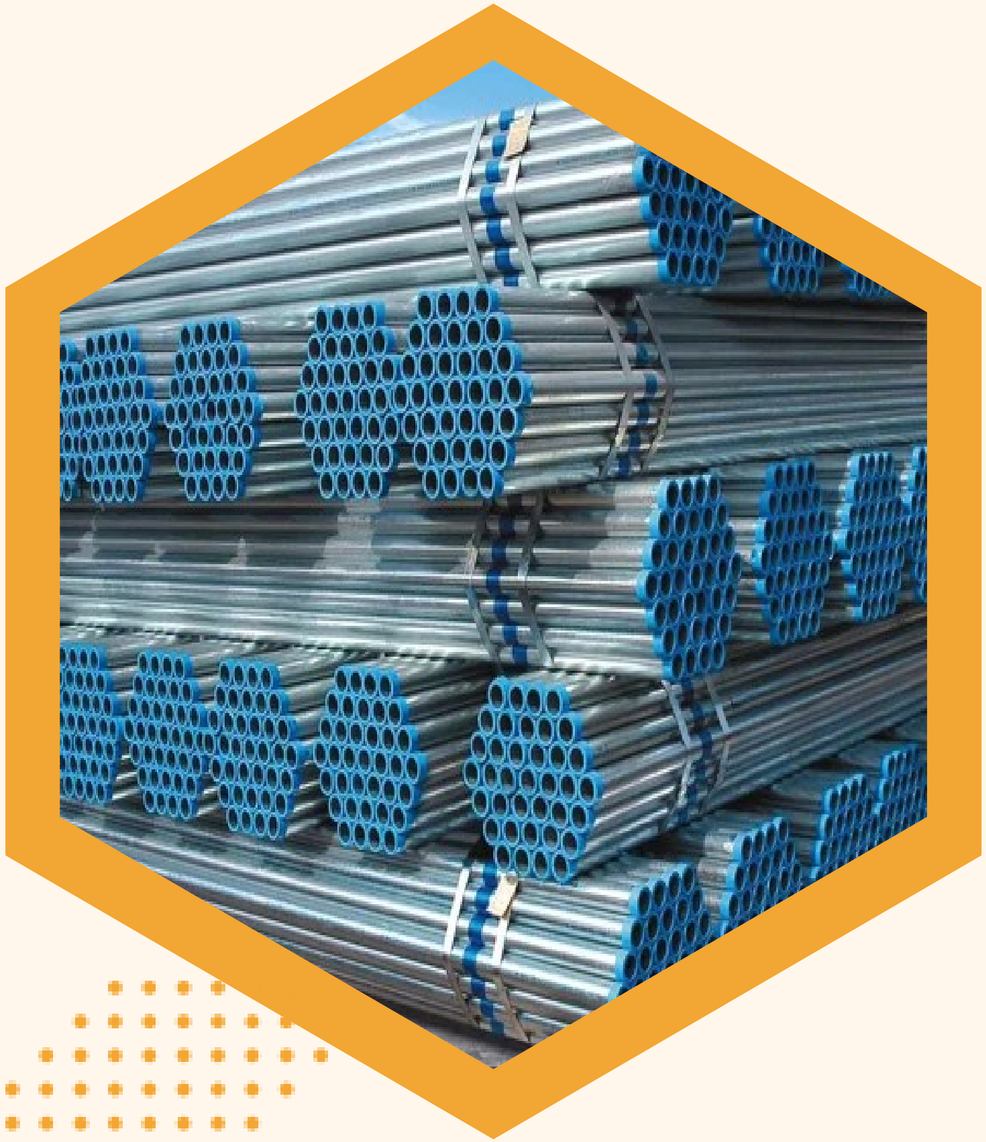
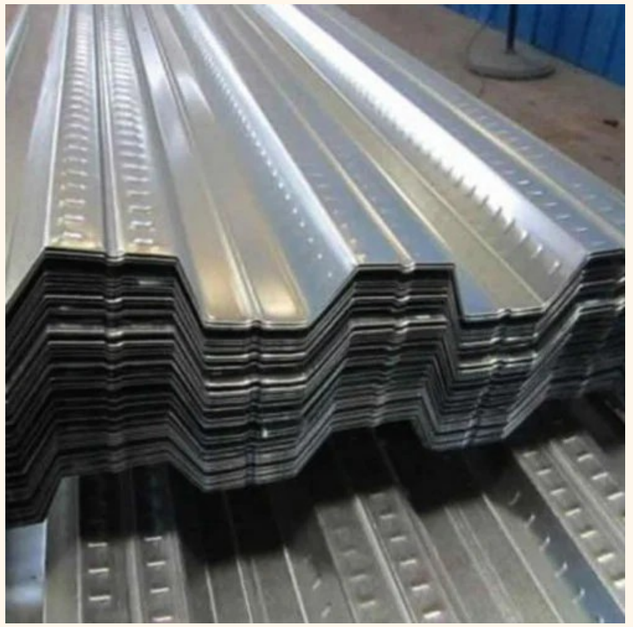
About Malur Tubes Pvt. Ltd.

Malur Tubes Pvt. Ltd. delivers premium structural and industrial steel products known for durability, low maintenance, and exceptional quality. With rigorous testing and quality checks, we ensure consistent performance that minimizes project delays and reduces long-term costs. Our steel solutions offer design flexibility, allowing for creative, modern aesthetics in construction. Committed to affordability and excellence, we help clients achieve efficient, reliable, and visually appealing results across diverse architectural and industrial applications. Quality steel. Trusted results.



Our Products

Roofing Sheet Manufacturers

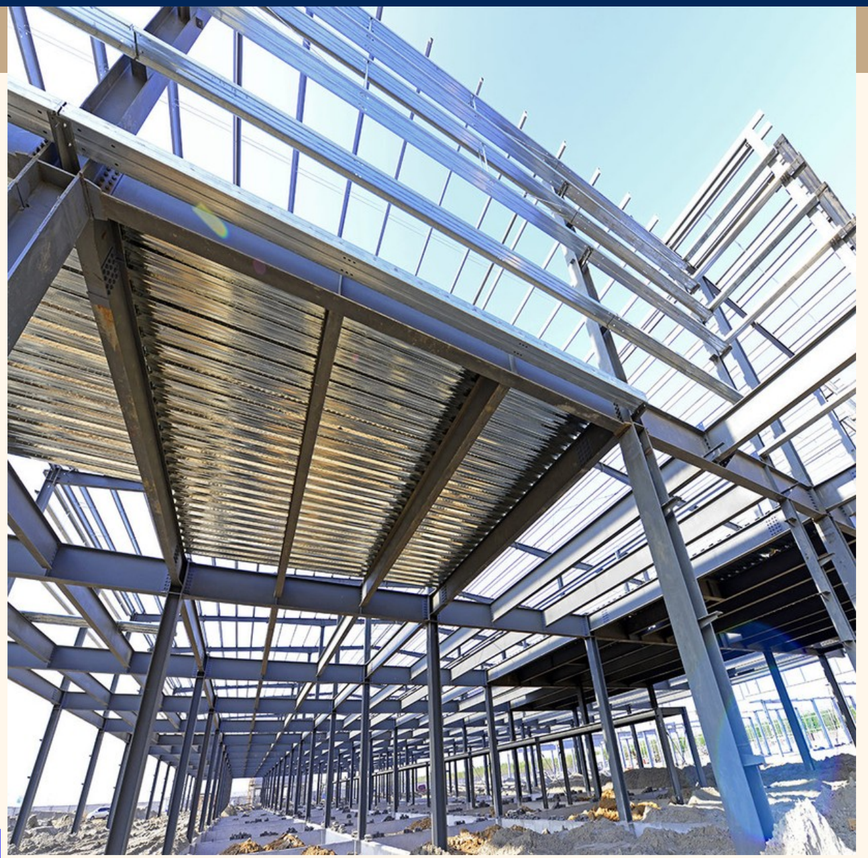


Malur Tubes Pvt. Ltd. manufactures durable, weatherproof roofing sheets in Bengaluru using high-quality materials like polycarbonate and fibreglass. Our products are lightweight, UV-resistant, corrosion-free, and ideal for industrial, residential, and commercial applications across India, with timely delivery and quality assurance.

Borewell Casing Pipe Manufacturers

Malur Tubes Pvt. Ltd. offers strong, corrosion-resistant PVC borewell casing pipes in Bengaluru. Lightweight, durable, and easy to install, our pipes ensure long-lasting protection for agricultural, industrial, and residential borewells across India.

Structural Steel Manufacturers



Malur Tubes Pvt. Ltd. manufactures corrosion-resistant, fire-safe structural steel in Bengaluru, ideal for harsh environments and infrastructure projects. Our eco-friendly steel ensures strength, durability, and timely delivery across diverse industrial applications in India.

Mild Steel Pipes Tube Manufacturers

Malur Tubes Pvt. Ltd. manufactures lightweight, durable mild steel pipes in Bengaluru. Known for strength, versatility, and corrosion resistance, our pipes suit construction, automotive, and industrial uses across India with reliable performance.
